

Notice of road closures, Main Street & Stratton Audley Road

April 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

As part of our continued preparatory works we will need to close a section of Main Street as well as a section of Stratton Audley Road with a local diversion route in place.

Our road closure on Main Street is being extended to continue the temporary diversion of utilities cables while we build a new permanent overbridge that will provide access to Manthorne Farm as well as the permanent realignment of the Preston Bissett Road and Main Street junction. Once the utility works are completed, our teams will then begin construction of the new access road. This will involve resurfacing works and some localised vegetation removal.

We are required to fully close this section of road, 24 hours a day, until they are complete as our teams will be working in open trenches directly in the carriage way. This is for the safety of road users and our staff.

A section of Stratton Audley Road will be closed during the day for the completion of a new access to land at Barton Hill Farm. This will involve resurfacing works and some localised vegetation removal.

When will these works take place?

A section of **Main Street** will be fully closed, **24 hours a day**, with a signed diversion route on the following dates:

- Monday 15 April to Tuesday 30 April
- Wednesday 8 May to Saturday 1 June

A section of **Stratton Audley Road** will be closed **Monday to Friday, during the day 7.30am - 5.30pm**, with a signed diversion route on the following dates:

- Monday 15 April to Tuesday 30 April
- Tuesday 7 May

These dates may be subject to change due to circumstances outside of our control such as weather.
